

The RMNNT mission is to raise up a bold and passionate army to effectively influence politics. Any time a revolution happened within a nation it was because a RMNNT of people decided to rise up and make history. We are dedicated to preserving liberty, teaching Conservative principles, protecting the Constitution, and raising up future political leaders.

PREVENTING VOTER FRAUD:

VOTER FRAUD PREVENTION:

The best way to prevent voter fraud is to VOTE IN PERSON

****If possible DO NOT vote early****

The earlier you vote the more time you give the opposition to cheat and know exactly how many votes they need to win

ON ELECTION DAY:

- ★ Bring the ballot unopened to your election center
- ★ Ask for a paper ballot. Demand a paper ballot if you're told you've already voted
- ★ Call the sheriff (858-565-5200) and file an identity theft claim if they refuse to give you a paper ballot or insist on you voting provisional
- ★ In most cases now they will not accept the envelope and ballot. If your county insists on surrendering the mail ballot make sure they mark it "spoiled" on the ballot (every page) and envelope
